

ABOUT US

Founded in 2000 in Denizli, **DA GLOBAL** has rapidly become one of Turkey's leading hotel textile suppliers with its innovative and sustainable production approach. With over 20 years of industry experience, we provide high-quality and professional textile solutions for hotels, hospitals, and restaurant businesses.

Operating in a facility with **3,000 m² of open space** and **2,000 m² of indoor area**, we offer an annual production capacity of **70 tons of towels** and **700,000 meters of fabric**. By utilizing the latest technology in our production processes, we develop durable, fast, and cost-effective products tailored to the needs of the tourism industry.

At DA GLOBAL, we are proud to be the **authorized textile supplier for the Accor Group** in Turkey and the Middle East region. With products manufactured to international quality standards, we proudly serve many prestigious hotel chains across the region.

OUR PRODUCT GROUPS

At DA GLOBAL, we offer professional textile solutions with our wide range of products designed specifically for the hospitality and healthcare sectors. Our products are specially developed to meet the needs of high-usage businesses such as hotels, hospitals, and restaurants, combining **quality, durability, and comfort**.

All of our products are designed for long-lasting use and are suitable for **industrial laundering**, manufactured using **modern production technologies**.

Our product range includes everything from **bed linens and sheets** to **towels and bathrobes**, as well as **mattress protectors, pillows, duvets**, and **bed and base systems**. This enables us to meet all of your business's textile needs from a single source.

In addition, we operate in accordance with **international standards**, and with our **flexible, solution-oriented production approach tailored to each project**, we stand out as a **reliable business partner** in the industry.

1. Linen Group (Duvet Covers, Bed Sheets, Pillowcases)

Our duvet covers, bed sheets, and pillowcases are made from **high-quality cotton and cotton-blend fabrics**, designed to meet **hotel and hospital standards**. They are available in a variety of **thread counts (TC)** and **weaving types**, including **sateen, ranforce, and percale**.

Features:

- 100% cotton or cotton-polyester blends
- Options available in plain, striped, or custom pattern groups
- White and custom color selections
- Durable for **industrial laundering**
- Easy to iron and **long-lasting use**

2. Towel Group (Hand, Face, Bath Mat, and Bath Towels)

Our towel group products, made from **ring-spun cotton yarn**, offer **high absorbency** and **softness**, maintaining their shape and performance even after long-term use.

Features:

- In addition to our standard weight range, **custom GSM options** available with MOQ requirements
- **Double-stitched edges** for enhanced durability
- **Custom embroidery/logo production** available for individuals and brands
- Use of **reactive dyes** in colored towel groups to prevent fading

3. Bathrobes

Our bathrobes are designed to **maximize guest comfort** in hotel settings. Available in both **kimono** and **shawl collar** styles.

Features:

- Multiple options: **Terry, waffle, triga, and mayer**
- Wide size range from **Small (S)** to **6XL**
- **Custom logo embroidery** options available

4. Mattresses and Pillow Protectors

Our mattress protectors and pads are designed to maintain **bed hygiene** and stand out with their **liquid-proof properties**.

Features:

- Liquid impermeability with **PVC** or **PU membrane**
- Options with **elastic bands** or **fitted style**
- **Antibacterial** and **anti-allergic surface**
- Manufactured to fit **different mattress heights**

5. Pillows and Duvets

Designed to **maximize guest comfort** with high-quality fillings and breathable fabric surfaces.

Features:

- Filling options include **microfiber**, **silicone fiber**, or **goose down**
- Custom sizes available beyond standard measurements
- Outer fabrics with high **breathability** (microfiber or 100% cotton)
- Special production with varying filling ratios available for **goose/duck down pillows**

6. Bedding Products (Mattresses and Bed Bases)

We offer durable and ergonomic mattress models designed to provide **hotel-level comfort**. Custom sizes and designs tailored to your project needs are available.

Features:

- Options include **pocket spring**, **bonnell spring**, and **visco foam** mattresses
- **Fire-retardant (FR)** fabric options available
- Customizable firmness levels

7. Piques

Our waffle weave products combine **aesthetics and comfort**, making them a preferred choice for hotel rooms for both **functional and decorative purposes**. Offered in various weave structures and pattern options, these waffle weaves are ideal for **year-round use**.

Features:

- Made from **100% cotton** or **cotton/polyester blends**
- Available in **jacquard, plain, or embossed (gofre)** weave options
- Lightweight and breathable fabric
- Suitable for **industrial washing** and **high-speed drying**

8. Slippers

Hotel slippers, an important detail for hygiene and comfort in the hospitality sector, are offered by **DA GLOBAL** in a variety of models and materials. This product group enhances guest satisfaction and can be produced as **disposable** or **washable**, with different quality levels and thicknesses.

Features:

- Disposable options (nonwoven, terry fabric) or washable options (velvet, microfiber)
- Available in **open-toe** and **closed-toe** models
- EVA or sponge sole thickness ranging from **3 mm to 8 mm**
- Non-slip soles and extra comfortable inner lining
- Custom production options with **branded printing**
